

Manager Development Certificate

6- module blended online and live/virtual format

Enhance your professional effectiveness through development of authentic and sustainable management skills, a manager focused business acumen tool kit, and effective coaching and mentoring skills to develop others.

Overview:

The ***Pre-Manager Certificate*** is designed for emerging managers to develop the knowledge and tools required to be highly prepared to manage and make an immediate impact within the organization.

Participants learn how to apply their skills working with others in day-to-day operations and long-term visioning where decision-making, critical thinking, communication, coaching and mentoring, emotional intelligence, and other professional skills are required.

Participants will walk away with these skills:

- Connecting individual work to the departmental and organizational mission
- Setting clear expectations for performance and behavior
- Clarifying goals, targets and our approach to meeting them
- Establishing a simple performance review process to check-in and upgrade within and across silos
- Facilitating performance growth through 3 levels of coaching
- Leveraging varying styles to enhance performance and relationships across the organization

In-depth Program Description:

The Pre-Manager Program will prepare growing leaders to take on more responsibility with tools to support them and the confidence to implement and adapt what is needed. Learn communication, planning, and people skills that help you to blend managing your piece of the business while leveraging relationships with others as partners.

PRE-PROGRAM: *Everything DiSC Agile EQ*

This assessment will be sent to you prior to the program. You will learn more about your personal style at work and how to adapt to the needs of others. Concepts and learning from the Pre-Work will be integrated into deliver so you can see yourself in action and consider how to better serve others.

Module 1 & 2: Essential Manager Skills – Setting the Stage for Performance Aligning Purpose and Expectations for Accountable Performance

Whether it is with partners in action or other departments on whom we depend, managers must connect the people to the work, and to each other. We will provide you tools and techniques to include others as needed to be part of the process.

Establishing Clear Role, Boundaries and Measurable Goals

We find it is better to control boundaries and process than it is to control people. This essential skill and accompanying tools will expand collaborative efforts for better accountability and results.

Module 3 & 4: Finance, Operations and General Business Acumen

No matter your role in the organization, a general understanding of business fundamentals will enhance your effectiveness and ability to make sound decisions. In these sessions, we will spend time diving into the ways that businesses make money, manage budgets, and discussing the key drivers of operational excellence—all skills that will set you up for success as you take on more responsibilities.

Module 5 & 6: Essential Manager Skills – Growing and Adapting Performance Developing Performance Capacity for Teams and Individuals

We will explore 3 levels of coaching and the tools to support them. Specifically, practice tools for teaching on the job skills to others, effectively providing direct feedback, and utilizing empathy to create more connections and choices with people.

Tracking, Reviewing and Upgrading Performance

The focus here is on simple, powerful tools with clear process make tracking measures and making changes to improve. This will tie into the goal setting process from earlier sessions for application.

6- module blended online and live/virtual format

Capstone Project:

To successfully complete the certificate program and earn a digital badge, you will complete a capstone project that will be reviewed by program facilitators. The project will involve application of tools and principles into a practical plan to be used in your work/business environment. The plan creation will take between a 2-4 hours of work following completion the program and must demonstrate competency of the material and concepts delivered during the duration of the program.

Xavier Leadership Center is proud to offer each participant a digital badge once participants have met program completion criteria. Digital badges include a direct link to view program credentials, and can be utilized by participants on social media and digital resumes.
