

LATE EVENINGS PUBLIC SECTOR SERIES

Designed specifically for public safety professionals, the Late Evenings Public Sector Series provides essential training in critical areas such as de-escalation, crime scene management, and advanced interrogation techniques. These interactive and practical sessions equip first responders with the skills needed to navigate high-pressure situations effectively, enhance investigative practices, and improve communication strategies. Whether you are a seasoned professional or new to the field, this series offers valuable insights and hands-on learning opportunities to strengthen your expertise and advance your career.

De-escalation

This engaging program equips participants with the tools to assess incidents quickly, respond with empathy, and achieve positive outcomes during calls for service. Through an overview of foundational techniques and practical takeaways, attendees will enhance their ability to respond purposefully while fostering professionalism and trust.

Basic Crime Scene Management

This hands-on program focuses on equipping participants with the foundational techniques and skills necessary to protect and preserve crime scenes. Whether you are a seasoned officer seeking a refresher or a recent academy graduate, this program delivers actionable strategies applicable to any department.

Interview & Interrogation 1

This program provides law enforcement professionals with foundational skills for conducting effective interviews and interrogations. Through a combination of interactive lessons and practical exercises, participants will learn essential techniques for building rapport, identifying baseline behaviors, and avoiding common pitfalls.

Interview & Interrogation 2

This advanced program delves deeper into the strategies and techniques that enhance the effectiveness of interviews and interrogations. Participants will explore the role of proxemics, the impact of interview settings, and how cultural influences and communication barriers affect interactions. The course also emphasizes ethical and legal considerations, as well as techniques for identifying evasive verbal and non-verbal behaviors.

Cost: \$350 General Registration.

0.3 CEUs will be issued for this program and OPOTA certification has been applied for.

Select discounts available: If an organization purchases 10 or more seats, the price per seat is \$275. These seats can be allocated to different police or fire personnel within the organization and used for any of the four sessions. Multiple discounts are not permitted.
